PRODUCTS AND BUSINESS MODEL

OUR OFFICES

Houston

Schiedam
 Headquartered in Schiedam, GustomSC employs over 200 highly skilled and talented staff.

In November 2012 Parcom Capital and the GustomSC management acquired GustomSC. This new ownership enables us to continue to work together with our clients and other business partners as an independent design office.

GustoMSC

FREEDOM OF CHOICE
UNIQUE INDEPENDENCY

GustoMSC is not affiliated to a specific yard, equipment supplier or parent company. Developing the optimal solution for our clients has our primary focus without being restricted by the choice of equipment or yard. Clients of GustoMSC are therefore free to choose wherever they wish their designs to be built.
