

THE OCEAN CLEANUP[®]

DSM provides Dyneema®, the world's strongest fiber™ and materials expertise.

Reducing Methane Emission from Cattle

Identification and development of a feed additive(s) solution to reduce methane by 25-30% *in vivo* and with the potential for better performance

Established three attractive innovation platforms

DSM Biomedical

Innovative materials that deliver more advanced clinical procedures and improved patient outcomes

DSM Bio-based Products & Services

Advanced enzymes and yeast platforms: enabling advanced bio-energy and bio-based chemicals

DSM Advanced Solar

Smart coatings and surface technologies to boost performance in the solar industry

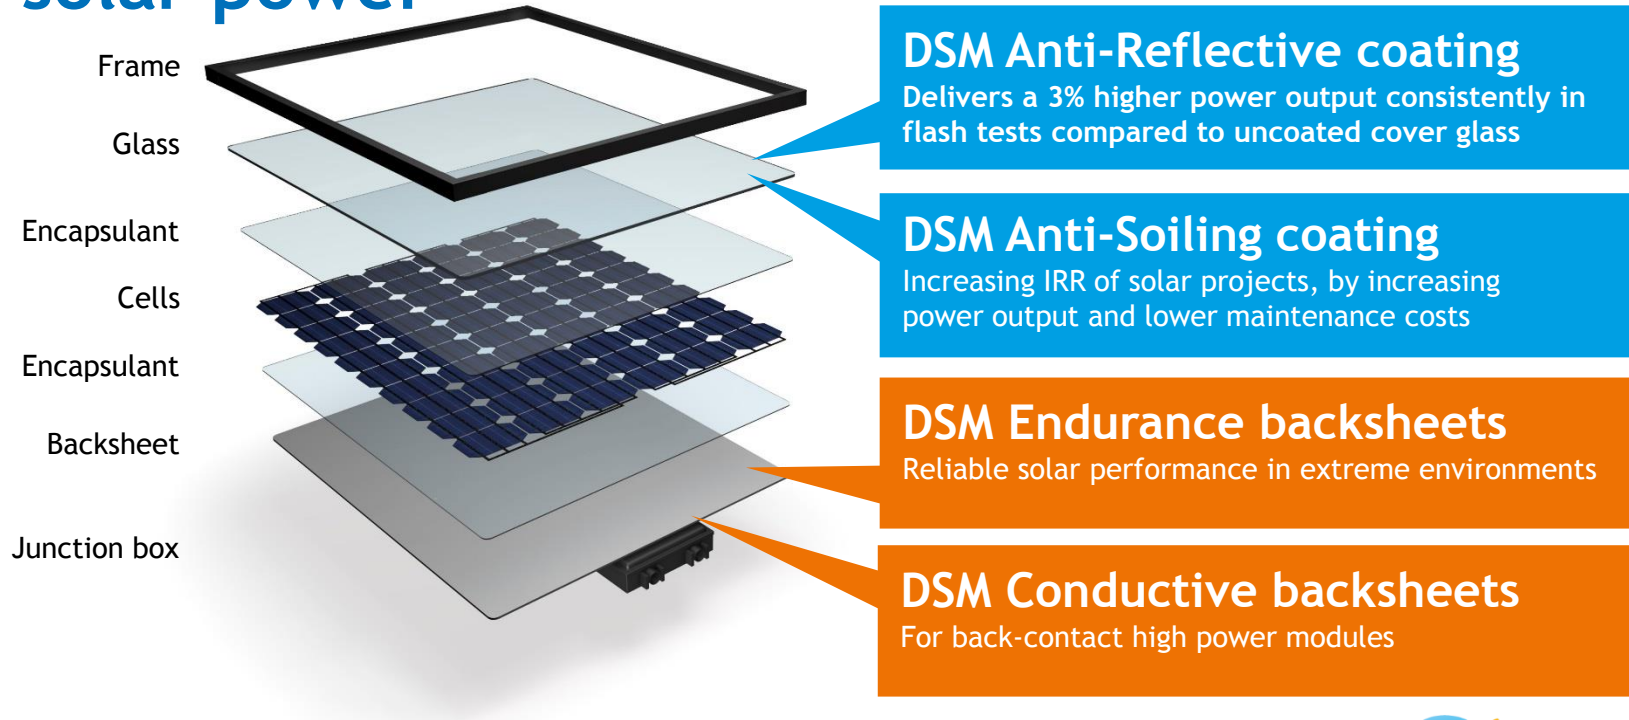

Bringing Life Sciences and Materials Sciences competences together

DSM in the photovoltaics market

Innovations to accelerate solar power adoption

DSM solutions are lowering the cost of solar power

BRIGHT SCIENCE. BRIGHTER LIVING.™
